

# Hazardous Engineering Solutions Incorporating Health & Safety **Media Information 2019**

**HES or Hazardous Engineering Solutions; is a bi-monthly specialist magazine supported by leading organisations such as ATEX, DSEAR and IECEx. Proud to publish industry news, products, legal and technical articles focused on safety, regulation, legislation and compliance standards within engineering environments. HES informs Engineering personnel identified as having operational responsibility for safety within Hazardous Areas .**

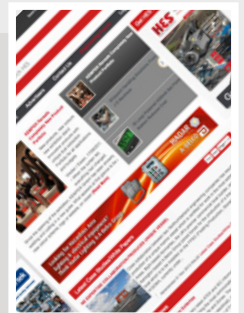

## Magazine

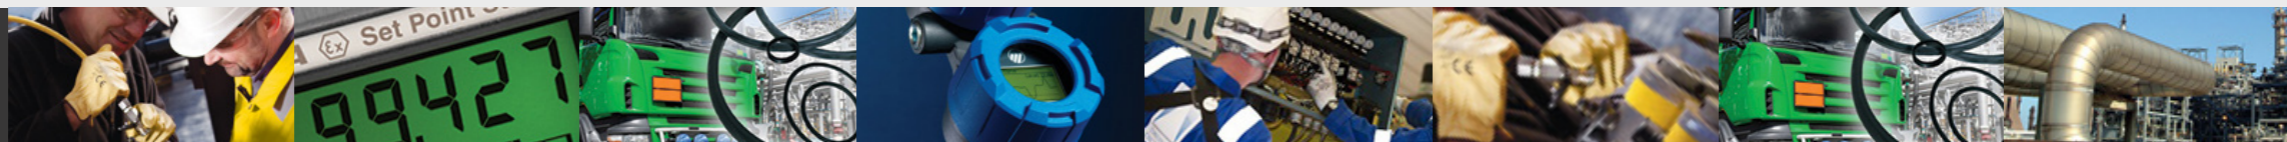

With a readership of over 25,000 Directors, Managers and Engineers responsible for the installation and safe operation of electrical or mechanical plant equipment and machinery, specification and maintenance within the hazardous area environments; HES provides an excellent platform to promote your technical excellence in hazardous solutions.

## Website

www.hazeng.com is now the world's largest online information resource for Safety Professionals. Our portal contains the latest news, technical articles, jobs, directories and events plus extensive and comprehensive editorial sections to advise on the safe running of plant and engineering equipment within hazardous areas

With combined distribution of over 25,000 print and digital copies, HES reaches Directors, Managers and Engineers responsible for the installation and safe operation of electrical or mechanical plant equipment and machinery; as well as specification and maintenance within hazardous engineering environments.

 Job Titles

- Health & Safety Managers / Directors

- Electrical Engineers / Managers / Directors
- Water & Waste Managers
- Engineering Managers/Directors
- Mechanical Engineers / Managers
- Environmental Managers
- Maintenance Engineers / Managers
- Production Engineers / Managers
- Plant Engineers / Managers
- Control & Instrumentation Engineers / Managers
- Operations Managers / Directors
- Process Managers / Directors
- Project Managers / Directors

 Industry Breakdown

- Mining and Quarrying
- Extraction of Crude Oil
- Other Mining and Quarrying NES
- Manufacturing of Food and Beverages
- Manufacture of Tobacco Manufacture of Wearing Apparel
- Manufacture of Wood and Wood Products
- Manufacture of Pulp and Paper
- Manufacture of Coke and Refined Petroleum Products
- Manufacture of Chemicals
- Manufacture of Rubber and Plastics
- Manufacture of Mineral Products
- Manufacture of Machinery
- Electricity and Gas
- Collection and Purification of Water
- Electrical Contractors and Construction
- Wholesale and Commission Trade Other Retail
- Transport and Storage
- Sea and Coastal Transport
- Air and Space Transport Rental of Machinery Research and Development Administration and Defence

January

- ATEX Equipment
- Personal Protection Equipment
- Handling Equipment
- Hazardous Cable Glands
- Slips, Trips & Falls
- Cranes Hoists & Safety
- Safety Monitoring (Gas detection, Gas Monitoring & Radiation)
- Hazardex
- Safety In Action (USA)

March

- ATEX Compliance
- Safety Lighting
- Training & Certification
- Control & Instrumentation
- Compressed Air
- Explosion Protection
- Fumes Dust & Extraction
- Lone Worker Protection
- Thermography in hazardous areas
- SPE Oil & Gas Mumbai India

May

- ATEX Equipment
- Personal Protection Equipment
- Handling Equipment
- Hazardous Cable Glands
- Slips, Trips & Falls
- Cranes Hoists & Safety
- Safety Monitoring (Gas detection, Gas Monitoring & Radiation)

July

- ATEX Compliance
- Safety Lighting
- Training & Certification
- Fumes, Dust & Extraction
- Temperature Measurement
- Explosion Protection
- Control & Instrumentation
- Thermography
- Compressed Air
- SPE Offshore Europe (UK)

September

- ATEX Equipment
- Personal Protection Equipment
- Handling Equipment
- Hazardous Cable Glands
- Slips, Trips & Falls
- Cranes Hoists & Safety
- Safety Monitoring (Gas detection, Gas Monitoring & Radiation)

November

- ATEX Compliance
- Safety Lighting
- Training & Certification
- Fumes, Dust & Extraction
- Temperature Measurement
- Explosion Protection
- Control & Instrumentation
- Thermography
- Compressed Air
